Dear Paul,

When - originally planned this memo and said I'd write it, I thought I'd make a general distribution of it. However, I am not, because I fear it will be interpreted as aimed at Bud, which it is not. This is not to say that he didn't do much less well than he might and should, nor that I didn't not fear this, as you know from earlier things I wrote. However, what damage there is is done and there is little to be gained from anything but what we can learn from the mess.

So, I didn't make copies for distribution. Then it seemed to me that perhaps you might get some benefit from it, if you are going to file suits. So, I ask you to return this, via Gary, who may be interested for other reasons.

If you will leave this attached, I'll know it is for my "suits" file whenever it gets back to me.

Sincerely,
